2019	N/A	N/A
2020	\$2,000,000	Alternative Usage Based Revenue Initiative: Ohio DOT will obtain data for a large-scale outreach program geared towards educating the public about an alternative usage based revenue program.

Program Approach and Design: Ohio DOT will explore research conducted by other States on alternative usage-based revenue methods and is highly committed to learning and understanding what an alternative usage-based revenue program could look like for Ohio. Ohio DOT will work to engage the public to provide information about the current funding structure and conduct educational outreach to show why the existing funding mechanism is no longer sustainable over the long-term.

Status: This project was recently awarded funds and has not gotten underway yet.
