2021	\$3,314,800	Virginia's Mileage-Based User Fee Program: Testing public acceptance for registered vehicles owners to pay existing highway user fee on a per-mile basis rather than as a fixed fee.

**Program Approach and Design:** Virginia's Mileage-Based User Fee Program: The funding from this STSFA grant application will be used to support a mileage-based user fee program that would allow owners of vehicles subject to the state's existing highway user fee to pay the fee on a per-mile basis rather than as a fixed fee, as is currently the case.
